A Perfect Fit for You

Ready to Assemble Built-in Cupboards

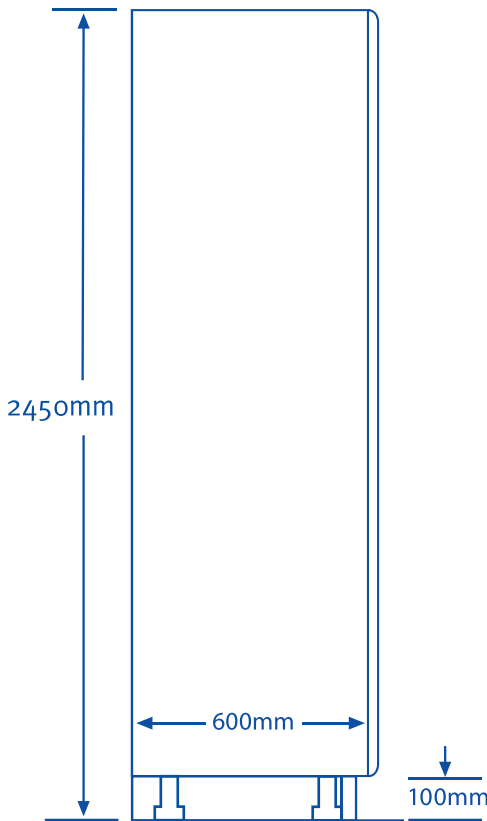

Why Ready to Assemble?

Ready to Assemble (RTA) cupboards are designed to fit your budget as well as your lifestyle – flat packed for ease of transport and storage. Each flat-pack contains all the components required to make the cupboard carcass and the fittings to assemble it. Various options such as doors, coloured side panels and cornice can be selected to complement the carcass and deliver that professional, fully co-ordinated look.

Are they easy to assemble?

Yes! With a few simple tools the carcasses can be put together in as little as 5 to 10 minutes per cupboard. And if you decide that installation is too much work for you, then we can put you in touch with one of our approved installers. Ask your salesperson for more information on these options.

Your choice of quality bedroom cupboard components. Ready to Assemble.

Due to our policy of constant innovation and improvement we reserve the right to change dimensions and specifications of any of our units without prior notice.

USE YOUR VISA OR MASTERCARD TO
FINANCE YOUR NEW BEDROOM CUPBOARDS
